Career genogram

Career genogram sheet. Symbols follow McGoldrick, Gerson and Petry (2020).

Made with Genogram Builder

Under each name write the main occupation, with the highest education or training. A person who changed career more than once is given the occupation held longest.

Mark with a close line the relatives whose work shaped your own choices, and note in the margin what each of them said about work.

Key Index person · Deceased · Marriage · Divorce · Biological child · Close · Distant · Hostile

Name _____ Date _____ Prepared with _____

Occupations that repeat across the generations _____ Education and training by generation _____
