Single parent genogram

Single parent genogram sheet. Symbols follow McGoldrick, Gerson and Petry (2020).

Made with Genogram Builder

Parent at home. Draw this parent's family in full, with the grandparents and any brother or sister who helps with the children.

Other parent. Write what is known under the symbol and their parents above it. Write Unknown where the question was asked and nobody knew, and leave a slot blank where it was never asked.

Couple line. Change the dashed line once the status is known. One slash is a separation and two slashes a divorce. Write the year beside them.

Contact. Where a child has no contact with a parent, draw a cutoff line between them. Draw the household outline round the people who live together.
