Practice interview with Alex, first session

Seen in the session. Alex looked down and went quiet when Joan was mentioned, and spoke faster about exams than about her family.

In Alex's words. "I can't switch off at night." "Dad and I don't really talk." "Grandpa Frank drank a lot."

To check next session. The year Frank died. Whether his drinking was ever treated. How Joan died. How often Alex sees Lily.

Practice interview with Alex, first session

Prepared 20 Oct 2026. 10 people.

Key *Notation: McGoldrick, Gerson & Petry (2020)*
