Ecomap

Made with Genogram Builder

A household and the systems around it, after Hartman (1978). Draw a line from the household, or from one person in it, to each system that matters to the family.

Key

- Strong connection
- Tenuous connection
- Stressful connection
- Energy or resources flow one way
- Energy or resources flow both ways

Courses differ in the lines they use. Follow the key your course gives when it differs from this card.

Family _____ Date _____ Prepared by _____
